

**JANADHARE TRUST**

## ABOUT US

At Janadhare Trust, we are committed to driving positive change in communities as a dedicated non-profit organization. Our expertise lies in designing and implementing impactful projects in collaboration with like-minded institutions. By partnering with corporate CSR initiatives, foundations, and government agencies, we have successfully created lasting and meaningful impacts in communities over the years.

### OUR START

Our journey began in **2008** as a group of youngsters volunteering in community service projects with the determination to contribute to the wellbeing of the communities around us.

### 80G and 12AA

In **2013**, our organizational endeavors and contributions were recognized with the accreditation of 12AA and 80G, empowering us to engage in collaborative partnerships with institutions for the implementation of CSR projects

### COLLABORATIONS

Since 2013 we have partnered with over 17 corporate and Section 8 companies, implementing projects in urban backward and rural communities across India.

### PROJECTS

As a versatile organization, we have leveraged our expertise across various projects aligning with Schedule VII of the Companies Act, 2013. Our primary focus revolves around Socio-economic Development, Community Well-being, Education and Environmental initiatives.

### OUR PRESENCE

Janadhare has established a significant presence in 7 States across India. Our approach involves close collaboration with both local communities and authorities, fostering a partnership to co-create a positive and thriving living environment.

# SERVICES and PROJECTS

## RESEARCH AND ANALYSIS

Our dedicated research and development services provide essential support and tailored modules to intricately map the social footprint of projects. This comprehensive research not only sets the initial roadmap but serves as the foundation for meticulous project planning, seamless implementation, and robust monitoring and evaluation strategies

## STRATEGIZE AND IMPLEMENT

Navigating from conceptual design to successful project execution, our expert team boasts of proficiency and dedication. Utilizing state-of-the-art implementation methods and a solid bond among all stakeholders, we ensure project sustainability and maximize the social impact of our donors' investments

## CONSULTATION AND DUE DILIGENCE

As your trusted partner we specialize in offering impactful consulting services to existing partners and services that prioritize ethical practices and effective resource management, we deliver clear, insightful reports, showcasing the transformative impact of your social investments.

Services include ASSESSMENT, CSR & SUSTAINABILITY REVIEWS, RISK MITIGATION, CAPACITY BUILDING

## AWARENESS AND EMPLOYEE ENGAGEMENT

We are dedicated to raising consciousness on critical social issues while fostering a culture of involvement within organizations. Through impactful campaigns and tailored engagement programs, we strive to create a more informed and socially responsible community

## Our VISION

To walk together with the community to create opportunities to lead Self-reliant and Flourishing lives.

## Our TEAM

A group of professionals in the developmental sector with over 20 years of experience collectively, driven by our vision.

Our team is structured with individuals with expertise to lead and implement projects and interventions aligned to our vision and SDGs.

# INTEGRATED COMMUNITY DEVELOPMENT

Driving integrated community development by addressing needs across infrastructure, livelihoods, and sustainability. Focusing on holistic solutions that improve quality of life in rural and underserved communities.

Enabling access to essential resources, safety, and resilient infrastructure for long-term impact. Creating inclusive ecosystems where communities are empowered to grow, sustain, and thrive independently.

SDG 11-Sustainable Cities and Communities, SDG 7-Affordable and Clean Energy, SDG 6- Clean Water and Sanitation, SDG 13-Climate Action

**Our Approach** Problem → Integrated Solution → Implementation → Impact → CSR Value → Community Action

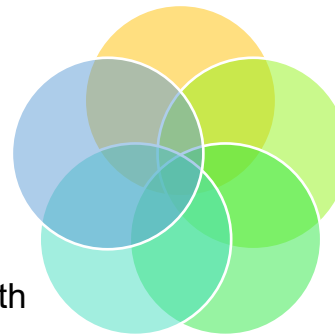

## Flagship Projects

- Solar Street Lights
- Lake Rejuvenation | Watershed Management
- Tree Plantation with Scientific Maintenance
- WASH Facilities
- Renovation of Community Centers
- Solar Smart Communities

Safety and Access to Communities

Disaster Relief Programs

Strengthening Health Care facilities

Integrated Water Shed Management

Rural Communities | Semi urban | Tribal and Marginalized communities | Forest Areas and Settlements | Highways and Industrial Areas

# SHIKSHA FOR ALL

## Future Ready Education Program

Aligned to SDG 4: Quality Education, SDG 5: Gender Equality, SDG 6: Clean Water & Sanitation

Janadhare delivers a holistic approach to education for children and adolescents aged 3 to 18 years, focusing on both learning outcomes and overall development. Our programs are designed to strengthen schools through comprehensive training and access to quality, future-ready infrastructure. We work closely with institutions to understand grassroots challenges and implement tailored, need-based solutions. By integrating capacity building with infrastructure support, we enable schools to create sustainable and impactful learning environments.

Enhanced Learning Outcomes

Promotion of Sports Excellence

Improved Health & Well-being

Inclusive Participation with Focus on Girls
